

MUEVO

QUALITY ASSURANCE POLICY

The company's Management has developed its Quality Assurance Policy with a focus on the design and delivery of high-level projects, efficient ways of executing the obligations it undertakes towards its customers, so that it is always competitive.

Our company, active in the fields of:

Design, Production, Wholesale-Retail Sale and Installation of Museum Showcases, Exhibition Lighting, Exhibit Hanging Systems and Other Exhibition Constructions for Museums and Other Exhibition Spaces

Through the Quality Assurance Policy, commits to the following:

- In the design, study and construction of high standard projects.
- In the delivery of the projects within the desired time, fully covering the requirements of its customers.
- In taking the necessary measures to comply with the legal requirements related to the safety of employees and in general to the operation of the company.
- In the development of conditions of mutual trust and cooperation with its customers, partners / suppliers.
- At the disposal of all necessary resources to preserve the quality of customer-owned products.
- In covering all confidentiality issues relating to any client intellectual or commercial property.
- In the continuous monitoring of the developments of its sector and its participation in them.
- Effectively dealing with and meeting the existing and projected needs of education, training and specialization of the company's employees.
- At the disposal of the necessary resources to maintain and improve the effectiveness of the company's Quality System.
- The ability to collect operation and performance results in order to define Quality objectives, the achievement of which is reviewed at regular intervals.
- To meet all the expectations of the interested parties

The mechanism through which the company implements, controls and adjusts, whenever required, its Quality Assurance Policy is the Quality System it has developed and implements. The validity and recognition of the Quality System is achieved through its certification by an Independent Certification Body according to the international standard ISO 9001:2015.

MUEVO

For the implementation of the Quality Policy, the company considers it necessary the active participation of the employees in the observance, development and documentation of all the procedures provided for by the Quality System. All employees in the company contribute to the effective implementation of the quality system as well as to its improvement. The quality policy is communicated to all staff.
